

Case 5:18-cv-01100-BKS-TWD Document 42 Filed 08/02/21

Dear Court,

Thank you for sending me the letter.

My conditions were not changed so much since I sent the last letter. However I ask the court to reset the deadline for the pending motion to dismiss until I find new attorney. And I am proceeding pro se until I find new attorney. It became difficult to find new attorney especially during covid. I had found some attorneys who were interested in my case and wanted to proceed however I believe that the university might pressure them not to take it. Even my formal lawyer said she did not want to ruin her career by taking my case. I do not understand this whole situation however if this is the case I prefer to take extra cautions to choose new attorney and proceed the lawsuit. I am afraid my absurdness will ruin the case further. These days, I am working at home so that I can prepare the lawsuit since this is my last chance to voice my case at my knowledge. I would ask the court to be patient. All circumstances were fall into right I will do it.

Thank you again.
